

**ISC 2010 Clinic Dates for boys and girls ages 6-10.
Three Season Teams for U9-U10 players
And
Lightning Team for U6-U8 Players**

For the clinic times listed below, your son or daughter needs to attend the sessions for the age group that they will be age eligible for in August 2010. For example, if your son plays on a U9 team now, he will attend the U10 boys' clinic in June 2010. If you are unsure which age group your son or daughter should play in, please review the age requirements at the bottom of this page. **These are not tryouts.** All players attending clinics will be accepted on ISC teams. The governing soccer organization that our club is affiliated with requires all US Youth Soccer affiliated clubs to accept all players who attend clinics in the age groups from U6-U10. Furthermore, we in the ISC support this policy as we believe it to be fair and appropriate.

All clinics will be held at either the Hawkeye Recreation Fields in Iowa City or Willow Creek Park in Iowa City. For more information contact the ISC office at 319-337-5479. You can also consult our website at www.iowasoccerclub.com. You can also e-mail our Director of Coaching, Jon Cook, at jon.cook@iowasoccerclub.com.

Age Groups

The United States Soccer Federation Age restriction start date is August 1. The calendar year for USSF soccer runs from August 1 through July 31. Therefore, the 2010-2011 calendar season officially begins on August 1, 2010 and ends on July 31, 2011. This does not mean that the players play for the entire 12 months. These are just the official start and end dates for the purpose of calculating your son or daughter's age group.

U8 Team-If your child is seven years old or younger on July 31, 2010, he/she will be considered eligible to play on a U8 team for the 2010-2011 season. Please note that the U8 team is considered part of our **Lightning Program** and has different training requirements and a different structure than the 3 Season Teams for the U9-U10 players.

U9 Teams-If your child is eight years old or younger on July 31, 2010, he/she will be considered eligible to play on a U9 team for the 2010-2011 season. In other words, your child is considered a U9 player if your son or daughter turns nine sometime during the 12 month period starting on August 1, 2010 and ending on July 31, 2011. Your son or daughter could play on a U9 team even if they are younger than eight years old on July 31. However, the recommendation to "play up" in regard to the age groups will be made by the ISC Director of Coaching, Jon Cook.

U10 Teams-If your child is nine years old or younger on July 31, 2010, he/she will be considered eligible to play on a U10 team for the 2010-2011 season. In other words, your child is considered a U10 player if your son or daughter turns ten sometime during the 12 month period starting on August 1, 2010 and ending on July 31, 2011. Your son or daughter could play on a U10 team even if they are younger than nine years old on July 31. However, the recommendation to "play up" in regard to the age groups will be made by the ISC Director of Coaching, Jon Cook.
