

ISC 2011 Clinic Dates for boys and girls ages 6-10

Year Round Advanced Teams for U9-U10 players And Lightning -Intermediate Program for 6-8 Year Olds

For the clinic times listed below, your son or daughter needs to attend the sessions for the age group that they will be age eligible for in August 2011. For example, if your son plays on a U9 team now, he will attend the U10 boys' clinic in June 2011. If you are unsure which age group your son or daughter should play in, please review the age requirements at the bottom of this page. **These are not tryouts.** All players attending clinics will be accepted on ISC teams. The governing soccer organization that our club is affiliated with requires all US Youth Soccer affiliated clubs to accept all players who attend clinics in the age groups from U6-U10. Furthermore, we in the ISC support this policy as we believe it to be fair and appropriate.

All clinics will be held at either the Hawkeye Recreation Fields in Iowa City or Willow Creek Park in Iowa City. For more information contact the ISC office at 319-337-5479. You can also consult our website at www.iowasoccerclub.com. You can also e-mail our Director of Coaching, Jon Cook, at jon.cook@iowasoccerclub.com.

Age Groups

The United States Soccer Federation Age restriction start date is August 1. The calendar year for USSF soccer runs from August 1 through July 31. Therefore, the 2011-2012 calendar season officially begins on August 1, 2011 and ends on July 31, 2012. This does not mean that the players play for the entire 12 months. These are just the official start and end dates for the purpose of calculating your son or daughter's age group.

6-8 Year Old Lightning Intermediate Training Only Program-We require that your child be at least 6 years old to register for the Lightning Training Only Program. This program is set up for all players 6-8 years of age. We will accept 8 year olds that are also eligible for the *U9 Year Round Advanced Teams*. In other words, if you are 8 when you register but turn 9 during the program, you are still eligible to participate in the Lightning program. The Lightning Intermediate Training Only Program is considered part of our **Lightning Intermediate Program** and has different training requirements and a different structure than the year round advanced teams for the U9-U10 players.

U9 Teams-If your child is eight years old or younger on July 31, 2011, he/she will be considered eligible to play on a U9 team for the 2011-2012 season. In other words, your child is considered a U9 player if your son or daughter turns nine sometime during the 12 month period starting on August 1, 2011 and ending on July 31, 2012. Your son or daughter could play on a U9 team even if they are younger than eight years old on July 31. However, the recommendation to "play up" in regard to the age groups will be made by the ISC Director of Coaching, Jon Cook.

U10 Teams-If your child is nine years old or younger on July 31, 2011, he/she will be considered eligible to play on a U10 team for the 2011-2012 season. In other words, your child is considered a U10 player if your son or daughter turns ten sometime during the 12 month period starting on August 1, 2011 and ending on July 31, 2012. Your son or daughter could play on a U10 team even if they are younger than nine years old on July 31. However, the recommendation to "play up" in regard to the age groups will be made by the ISC Director of Coaching, Jon Cook.
